PRESS RELEASE

MANAGEMENT CHANGES

Boom, Belgium – For further growth and professionalisation purposes the board of directors has nominated **Tim Everaert** as **General Manager** of Sky Man International. With this nomination Tim becomes responsible for the day to day management.

He will be supported in his new function by the management team and the board. Tim also becomes **member of the Advisory Board** of the company.

Tim joined Sky Man International more than 6 years ago and has managed its operations for the last couple of years. He holds a master's degree in electro-mechanical engineering.

Kris Govaert remains part-time active in the company for **strategic business development** opportunities with key accounts. He also becomes **member of the Advisory Board** of the company.
